

2nd YOUTH WATER CONFERENCE
INTER SCHOOLS YOUTH WATER CHALLENGE 2008

DETAILS FOR YOUTH WATER CHALLENGE

<u>PRIZES</u>		
1st: \$300	2nd: \$200	3rd: \$100

PRELIMINARY ROUNDS

Amazing 'Water' Race

Teams are required to solve clues and complete challenges in the shortest possible time.

Participants:
3 Upper Secondary students

The 3-min Challenge

Teams are required to research and present (oral & visual) on a given topic. The challenge is that teams can only use recycled materials to create the visual aids for their presentations.

Topic:
Osmoregulation in Mangroves

Participants:
2 Lower Secondary students

Judging criteria:
Accuracy of content, Clarity, Creative use of visual aids.

Water Quiz (Written)

This is a written quiz that tests the breadth of knowledge pertaining to waters issues both in Singapore and around the world.

Participant:
1 Lower Secondary student

FINALS

(Only the top 3 teams from the overall performance in the preliminary rounds will qualify for the finals)

Buzzer round that requires teams to be quick in their responses to quiz questions.

Participants: 2 students per team

*Please note that further details will be given during the briefing session on **Friday, 18th April 2008**, at **3.00pm** in our School Auditorium*
